1. The following is an interview summary of the telephone interview of January 29, 1997:

2. Mr. Hoffman stated that the opposing party in the interference had filed a protest under 37 CFR 1.291 for each of cases 07/049,381, 07/636,414, and 07/636,415. The examiner checked the in-Group book listing of documents which have been hand-carried into the group and confirmed that these papers had been filed in-Group on January 28, 1997. Mr. Hoffman also stated that the opposing party had filed motions with the Board in the 07/126,319 interference requesting the other three applications also be brought into interference (it is here noted that this examiner presently has the 07/049,381 in his possession, and that it was returned to the examiner by the Board for the new copy of the PTO-850 to be filled out by the examiner). Finally, Mr. Hoffman, who was reading some of the documents submitted by the opposing party for the first time himself, noted that one of the motions filed by the opposing party seemed to be requesting the Board to take jurisdiction over all four pending cases. The examiner stated that he had no idea how the Board would act on such a motion.

3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Dan Howell whose telephone number is (703) 308-1728.
